## **ERASMUS + STUDY MOBILITY FOR STUDENTS**

### **CALL FOR INTERNATIONAL CREDIT MOBILITY GRANT FOR STUDY ABROAD IN 2019/2020 AND 2020/2021**

This initiative builds on the experience and success of the Erasmus programmes in the EU and in higher education. The Erasmus+ International Credit Mobility (ICM) supports the international exchange of students between cooperating institutions.

Students must be registered in a higher education institution and enrolled in studies. The mobility is carried out in the framework of prior “inter-institutional agreements” between the UNP and partner universities.

Students receive a grant, which is a contribution to travel and the cost of living and studying in another country. Students are selected for an Erasmus+ Study Mobility on the basis of academic ability and the relevance of the proposed study plan to their studies at UNP.

Participants in the Erasmus+ Study Mobility Program continue to pay tuition fees at UNP, but are exempted from tuition at the host university.

#### **WHO CAN APPLY?**

The applicant must be a degree-seeking student at UNP during the application process and must remain enrolled during the entire study period abroad. Students must return at the end of the study period and complete their program at UNP. All enrolled Masters students enrolled in Master programmes at UNP are eligible to receive an Erasmus study mobility grant.

#### **LOCATION OF THE ACTIVITY**

Please, note that Erasmus+ International Credit Mobility visits (ICM) in the frame of KA107 can be implemented only between specific countries (Partner Countries) and specific partner universities. Erasmus+ International Credit Mobility visits (ICM) in the frame of KA103 can be implemented at the partner HI from the Program Country.

#### **DURATION OF THE ACTIVITY**

- Duration of a study period abroad is 5 months, or 1 academic term for each applicant.
- The study mobility period must be carried out between February, 2020 and Jul, 2021.

- The duration is calculated from the first day the student is required to be at the organization. The end date is the last date they need to be present.
- Priority will be given to students participating in the program for the first time (during their studies at UNP).
