Recruitment protocol for the student mobilities within the Erasmus+ Programme in the academic year 2019/2020

University of Novi Pazar

A Recruitment Committee meeting consisting of the given members was held on the 26th of December 2019:

- 1 Prof. Amela Lukač Zoranić, Erasmus Coordinator
- 2 Prof. Jahja Fehratović, dean of the Philology Department
- 3 Prof. Samina Dazdarević, full professor

The aim of the setting was to recruit and determine a list of students keen to take part in the Erasmus+ Programme for studying purposes at the University of El-Oued in Algeria.

According to the Policy of the Erasmus+ Programme and ECHE card a person that would like to take part in the mobility should have handed required documents before the given deadline:

- application form
- transcript of records
- certificate of language competence confirmation

Students' applications rating was based on the criteria taken into account by the committee: academic results (i.e. grades), good language skills of a foreign language no lower than given in the Inter-Institutional Agreement, respectfully B1 or B2 (in compliance with the Common European Framework of Reference for Languages "CEFR") and overall interview. The committee took also into account the following criteria: the excellence of the essay written on the topic: *United Europe-United World*.

Each candidate for the mobility was requested to describe his/her person in a detailed manner, to elaborate about his/her academic results and explain what is their motivation for the Erasmus+ mobility for studies at the University of El Oued. Part of the discussion was conducted in the foreign language specified in the Inter-Institutional Agreement.

The following applications were not considered:

- incomplete
- invalid or faulty
- with language declarations below the required level stated in the Inter-Institutional Agreement.

Before the deadline 5 applications were provided.

Because of the formal issues the following applications were rejected:

No	Surname, name	Level of studies	Year of studies	Reason of rejection
1	Ajša Idrizović	Bachelor	2nd	Incomplete
2	Belma Kucukuysal	Bachelor	2nd	Insufficient grades
3				
4				
5				

The rest of the applications were thoroughly looked to.

If a student handed a couple of applications, only the latest one was taken into consideration/the Recruitment Committee chose one of them, according to their liking.

The Recruitment Committee decided on the scale from 0 to 5 points how good were the academic results, the student could receive 1 additional point if he applied for the mobility for the first time. On the scale from 0 to 5 points it was decided how good the student did during the interview.
